Computing Lab

Sunnyside

Physics

Academic Programme

- Combination of lectures and (hands-on) tutorials: here and/or in computing lab. In Physics building on Saturday.
- Feel free to ask questions anytime!

Lecturers:

Prof. Andy Buckley (University of Glasgow, UK)

Prof. Jon Butterworth (University College London, UK)

Prof. Louie Corpe (Université Clermont Auvergne, France)

Prof. Caterina Doglioni (University of Manchester, UK)

Prof. Benjamin Fuks (Sorbonne Université, Paris and LPHNE, France)

Prof. Heather Gray (University of California, Berkeley, USA)

Prof. Deepak Kar (University of Witwatersrand, Johannesburg, South Africa)

Dr. James Keaveney (University of Cape Town, South Africa)

Dr. Isobel Kolbe (University of Witwatersrand, Johannesburg, South Africa)

Dr. Ana Peixoto (University of Washington, Seattle, USA)

Prof. Francesco Petruccione (UKZN and NITheCS, South Africa)

Dr. David Rousseau (IJCLab, CNRS/IN2P3 and Université Paris-Saclay, France)

Practical Details

- Working lunch, and coffee breaks. Please indicate/confirm your dietary preferences. Unfortunately for campus catering halal = veg.
- Dinner between 16 - 18. We will try to wrap by 1645 to allow enough time, shorted the afternoon tea break by 15 minutes.
- Wifi: Eduroam and tlabsguest wifi (guest/tlabsguest).
- Safety: I would not encourage walking in Braamfontein (the other side of campus alone after dark. Fine in a group, dont display phone/money).

Social Programme

School dinner (17/1) and farewell dinner (25/1) at Mike's Kitchen. Short walk or can Uber.

Social Programme

After the lectures on Saturday, we will have a “Braai”.
Need volunteers! Dress up and enjoy!

braai / (brai) Southern African / ☆

verb

1. to grill or roast (meat) over open coals

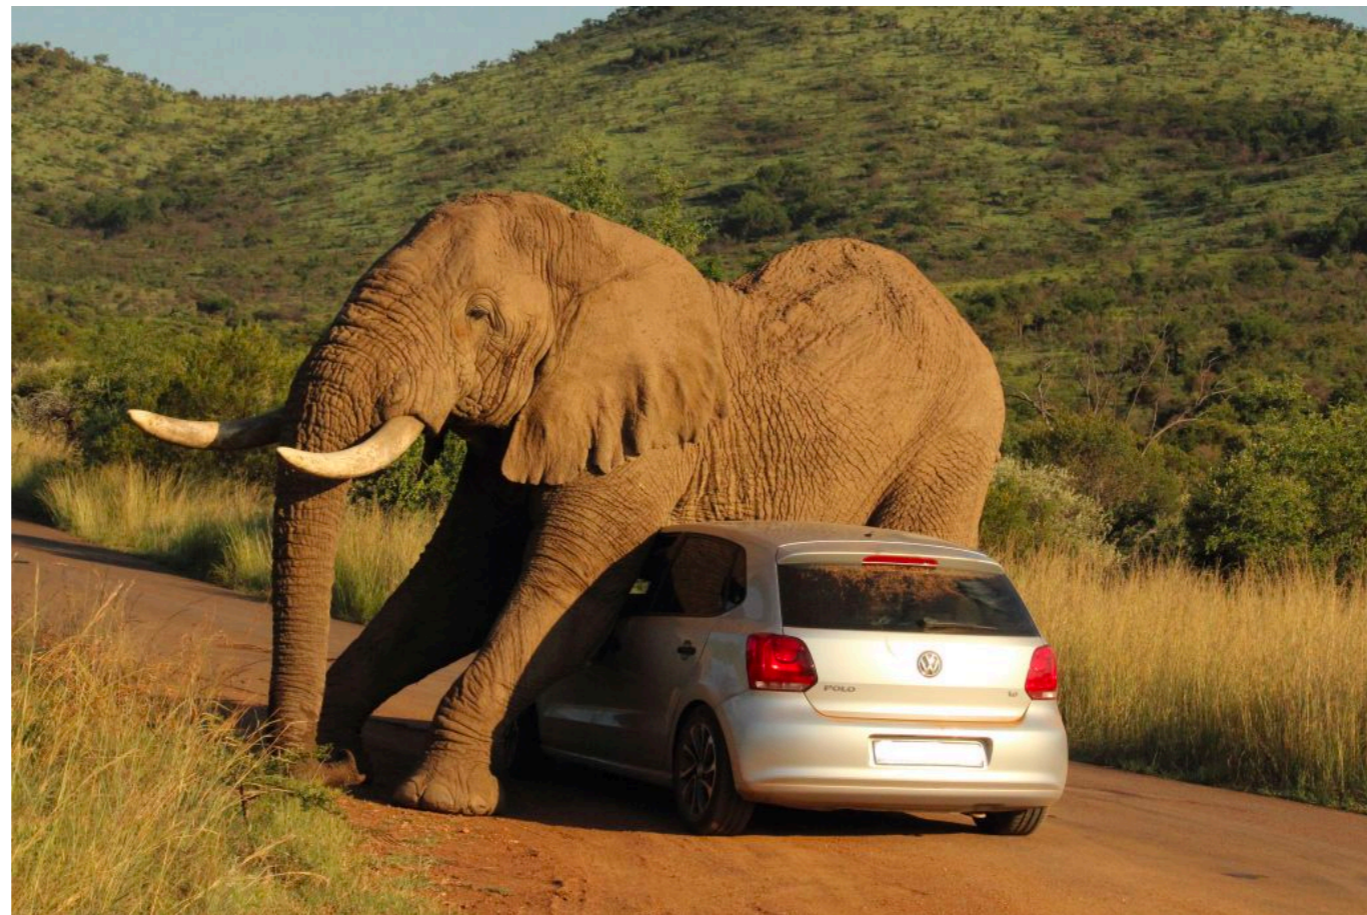

noun

2. short for [braaivleis](#)

Social Programme

Day Safari to Pilanesberg National Park. Pickup at 5 am (TBC), 2.5 hours drive oneway, buffet lunch included. Additional payment of R500 (Euro 25) needed to offset the cost. **PLEASE CONFIRM TODAY.**

Thanks to...
