Annual Meeting and Next Meeting

Several attempts to find host for **annual meeting** but somewhat difficult

- March 12 lunch time to March 15 lunch time
    - Allows for MDI workshop connect to it
- At CERN
    - difficult in Italy or UK

Interest in UK to host the year after
- Potential hosts should start preparing and proposing now

Next **Governing Board** meeting should be about March
- Propose to link to the annual meeting
- Evening of a meeting day, just before, afternoon of Friday, few days later?
- During the week allows to do it in person for most of us
