## Status of the Quantum Noise Reduction System in Advanced Virgo Plus

*Tuesday 3 September 2024 17:20 (30 minutes)*

Status of the quantum noise reduction system in Advanced Virgo Plus

### Internet talk

Yes

### Is this an abstract from experimental collaboration?

Yes

### Name of experiment and experimental site

Advanced Virgo Plus

### Is the speaker for that presentation defined?

Yes

### Details

Valeria Sequino - Reasercher at "Università degli Studi di Napoli Federico II", Italy.  
[https://www.unina.it/home?sessionid=67DB0FA8A74157A62F097032A332F68C.node\\_staging11](https://www.unina.it/home?sessionid=67DB0FA8A74157A62F097032A332F68C.node_staging11)

**Author:** SEQUINO, Valeria

**Presenter:** SEQUINO, Valeria

**Session Classification:** Quantum Physics, Quantum Optics and Quantum Information

**Track Classification:** Main topics: Quantum Physics, Quantum Optics and Quantum Information
