

Database Futures Workshop

June 6th 2011

- Application Domains
 - HR / Payroll
 - Finance / Purchasing
 - Logistics / Stores
 - Project Management
 - Safety
 - Medical
 - Workflow
 - Reporting
 - Others
- Spread across several Oracle Databases

- A mix of Service Levels:
 - Some
 - Availability 24/24 365 days (no Xmas shutdown)
(With scheduled interventions)
 - Others
 - Working hours only.

- Non-Oracle RDBMS:
 - Some pressure from vendors for MS SQL Server
 - Until now we have worked around the issues
 - Interest in MySQL official support
 - Set-up, administer, backups, bridge to Oracle
- NOSQL
 - No specific project – but some interest.
