The screenshot shows the website for the Finnish Teacher Programme. At the top left is the Finnish flag. The title 'Finnish Teacher Programme' is in a dark blue header. Below the header, the dates '2-7 Jun 2024' and 'CERN Europe/Zurich timezone' are displayed. A search bar is on the right. A sidebar on the left contains links for 'Overview', 'Useful links', 'Timetable', and 'Administrative Support: teacher.programmes@c...'. The main content area includes a description of the programme, contact information for the Teacher Programmes Manager (Jeff Wiener), emergency contact details for the CERN fire brigade, and event timing (Starts 2 Jun 2024, 17:00; Ends 7 Jun 2024, 15:00). It also lists organizers (Tuja Hannele Karpinen, Kati Lassila-Perini, Taina Onnela, Jeff Wiener) and a note that there are no materials yet. An information icon at the bottom indicates that scientific programme and agenda details will be available under the Timetable, and that precise arrival and participation confirmation will be sent via email.

The **Finnish Teacher Programme 2024** will take place from 2-7 June 2024. Lectures, on-site visits, exhibitions, and hands-on workshops will introduce its participants to cutting-edge particle physics. We hope our participants will go back to Finland as ambassadors, who pass on the subject to our next generation of physicists, engineers, IT specialists...
