

Symposium on Science at PAUL (Paarl Africa Underground Laboratory)

Wednesday 17 January 2024

Muon flux and Radiation: Muon flux and Radiation (14:00 - 15:19)

-Conveners: Marcello Messina

time	[id] title	presenter
14:00	[7] From cosmos to the center of the earth : muography and applications	MARTEAU, Jacques
14:28	[48] Modelling the Muon Flux in the Huguenot Tunnel	Mr DU VILLIERS, Cornel JONKER, Stephan
14:46	[17] Development of a mobile LaBr3:Ce detector unit for in situ radionuclide analysis at TENORM contamination sites	VAN NIEKERK, Ferdinand
15:04	[18] Portable African Neutron-Gamma Laboratory for Innovative Nuclear Science	JONES, Peter Michael
