

Session Program

14-18 Jan 2024

Symposium on Science at PAUL (Paarl Africa Underground Laboratory)

Neutron flux and Radiochemistry

Du Kloof Lodge, Du Toitskloof Mountains

Wednesday 17 January

15:40

Neutron flux and Radiochemistry: Neutron flux and Radiochemistry

Session | **Location:** Du Kloof Lodge, Du Toitskloof Mountains | **Convener:** Fabrice Piquemal

15:40-15:55 **Low neutron flux detectors for underground laboratories**

Speaker

Daniya Zinatulina

15:58-16:13

Measuring the neutron fields within Paarl Africa Underground Laboratory

Speaker

Zina Ndabeni

16:16-16:31 **Radiochemistry for underground physics**

Speaker

Ayagoz Baimukhanova

16:31
