

## **Session Program**

**29 November 2023 to 1 December 2023**

# **ISOLDE Workshop and Users meeting 2023**

## ***Operation and New Developments II***

CERN, 503/1-001 - Council Chamber

# Thursday 30 November

09:00

## Operation and New Developments II

**Session** | **Location:** CERN, 503/1-001 - Council Chamber | **Convener:** Bogdan Fornal

09:00–09:25

### ISOLDE Consolidation and Improvements programme until LS3 and beyond

**Speaker**

Joachim Voltaire

09:30–09:42

### Highly-sensitive photodetachment spectroscopy in an MR-ToF device

**Speaker**

Franziska Maria Maier

09:45–09:57

### Towards the Nuclear Magnetization Distribution with Laser-rf Double-Resonance Spectroscopy

**Speaker**

Mark Bissell

10:00–10:25

### The PUMA experiment at ELENA and ISOLDE

**Speaker**

Clara Klink

10:30
