

Session Program

29 November 2023 to 1 December 2023

ISOLDE Workshop and Users meeting 2023

Special Topics

CERN, 503/1-001 - Council Chamber

Thursday 30 November

11:00

Special Topics

Session | Location: CERN, 503/1-001 - Council Chamber

11:00-11:25

Determination of the neutron skin of Pb-208 from ultrarelativistic nuclear collisions

Speaker

Dr Wilke Van Der Schee

11:30

Friday 1 December

12:15

Special Topics

Session | Location: CERN, 503/1-001 - Council Chamber

12:15-12:27

FERS-5200: a distributed Front-End Readout System for multidetector arrays

Speaker

Dr Ferdinando Giordano

12:30

14:00

Special Topics

Session | Location: CERN, 503/1-001 - Council Chamber

14:00-14:25

Gamma-Factory@CERN - status and perspectives

Speaker

Mieczyslaw Witold Krasny

14:30
