Session Program

13-15 Apr 2011

7th RD51 Collaboration Meeting

WG5 - Electronics

CERN

Thursday 14 April

11:00-11:10	Test of readout plane production of the Inner Tracker in KLOE
Speaker	
antonio.ranieri@	Da.infn.it
11:10-11:25	Status of the Nikhef miniHV Unit
Speaker Frederik Hartjes	
11:25-11:40	Signal processing requirements for the Muon Phase 1 Upgrade
Speaker	
Venetios Polych	ronakos
NG5 - Elec iession Loca	:TFONICS tion: CERN, 354/1-001 Conveners: Hans Muller, Dr Jochen Kaminski
13:30-13:45	Status of APV based electronics for JLab tracker
Speaker Paolo Musico	
13:45-14:05	Some results with SRS readout and DAQ tests with THGEM
Speaker	
Hugo Natal da I	117
Hugo Natal da I	.uz
Hugo Natal da I 14:05-14:25	First experience with small system SRS characterization
14:05-14:25 Speaker	First experience with small system SRS characterization
14:05-14:25 Speaker	
14:05-14:25 Speaker	First experience with small system SRS characterization
14:05-14:25 Speaker Francisco Garcia 14:25-14:45	First experience with small system SRS characterization a Garcia Fuentes
14:05-14:25 Speaker Francisco Garcia 14:25-14:45 Speaker	First experience with small system SRS characterization a Garcia Fuentes Status and plans of SRS readout electronics for NEXT TPC
14:05-14:25 Speaker Francisco Garcia 14:25-14:45 Speaker Jose F. Toledo A	First experience with small system SRS characterization a Garcia Fuentes Status and plans of SRS readout electronics for NEXT TPC arcon
14:05-14:25 Speaker Francisco Garcia 14:25-14:45 Speaker Jose F. Toledo Al 14:45-15:05	First experience with small system SRS characterization a Garcia Fuentes Status and plans of SRS readout electronics for NEXT TPC arcon
Speaker Francisco Garcia 14:25-14:45 Speaker Jose F. Toledo A	First experience with small system SRS characterization a Garcia Fuentes Status and plans of SRS readout electronics for NEXT TPC arcon Status of SRS readout electronics for resistive strip Micromega
14:05-14:25 Speaker Francisco Garcia 14:25-14:45 Speaker Jose F. Toledo Al 14:45-15:05 Speaker Marcin Z Drozde	First experience with small system SRS characterization a Garcia Fuentes Status and plans of SRS readout electronics for NEXT TPC arcon Status of SRS readout electronics for resistive strip Micromega
14:05-14:25 Speaker Francisco Garcia 14:25-14:45 Speaker Jose F. Toledo Al 14:45-15:05 Speaker Marcin Z Drozda 15:05-15:25	First experience with small system SRS characterization a Garcia Fuentes Status and plans of SRS readout electronics for NEXT TPC arcon Status of SRS readout electronics for resistive strip Micromega owa Byszewski
14:05-14:25 Speaker Francisco Garcia 14:25-14:45 Speaker Jose F. Toledo Al 14:45-15:05 Speaker Marcin Z Drozdo 15:05-15:25 Status of th	First experience with small system SRS characterization a Garcia Fuentes Status and plans of SRS readout electronics for NEXT TPC arcon Status of SRS readout electronics for resistive strip Micromega owa Byszewski
14:05-14:25 Speaker Francisco Garcia 14:25-14:45 Speaker Jose F. Toledo Al 14:45-15:05 Speaker Marcin Z Drozdo 15:05-15:25 Status of th	First experience with small system SRS characterization a Garcia Fuentes Status and plans of SRS readout electronics for NEXT TPC arcon Status of SRS readout electronics for resistive strip Micromegar owa Byszewski e medium-sized SRS readout electronics with DATE and AMORE f
14:05-14:25 Speaker Francisco Garcia 14:25-14:45 Speaker Jose F. Toledo Al 14:45-15:05 Speaker Marcin Z Drozde 15:05-15:25 Status of the Muon Tomog	First experience with small system SRS characterization a Garcia Fuentes Status and plans of SRS readout electronics for NEXT TPC arcon Status of SRS readout electronics for resistive strip Micromegar owa Byszewski e medium-sized SRS readout electronics with DATE and AMORE for graphy using GEMs

16:00-16:15	Status of the Timepix readout
Speaker	
Michael Lupbe	ger
16:15-16:30	Status of the Labview readout of APV hybrid via SRS
Speaker	
Riccardo De As	mundis
16:30-16:45	Status of the Scalable Detector Control (SDC)
Speaker	
George lakovid	is
16:45-17:00	CMS Upgrade and synergy with RD51
Speaker	
Paul Aspell	
17:00-17:25	Status of SRS/SDC hardware and firmware, SRS demo
Speaker	
Speaker Sorin Martoiu	
Sorin Martoiu	SPS avetomer whore will/chould we go from here
	SRS systems: where will/should we go from here
Sorin Martoiu 17:25-17:45 Speaker	SRS systems: where will/should we go from here
Sorin Martoiu 17:25-17:45	SRS systems: where will/should we go from here
