

12th Beam Telescopes and Test Beams Workshop

Monday 15 April 2024

Facilities: I - Nucleus Building, Yew Lecture Theatre (16:20 - 18:00)

-Conveners: Eva Barbara Holzer

time	[id] title	presenter
16:20	[21] CERN Secondary Beamlines and Test Beams facilities overview	METZGER, Fabian
16:40	[18] Coordinating the future challenging user needs and improvements of test beam and irradiation facility infrastructures at CERN	PELISSOU, Pierre
17:00	[70] Future instrumentation upgrades at the Fermilab Test Beam Facility and Irradiation Test Area	PASTIKA, Nathaniel Joseph
17:20	[30] The DESY II Test Beam Facility - Present and Future	DIENER, Ralf ACKERMANN, Sven
17:40	[16] PRIMA : A New High-Intensity Electron Beamline at DESY II	KIM, Dohun

Thursday 18 April 2024

Facilities: II - Nucleus Building, Yew Lecture Theatre (12:10 - 12:50)

-Conveners: Paul Schütze

time	[id] title	presenter
12:10	[15] The Frascati Beam Test Facility Status and prospective	DI GIULIO, Claudio
12:30	[68] A New Test Beamline at Photon Factory Advanced Ring (PF-AR) in KEK	UNO, Shoji
