

22nd International Symposium on Very High Energy Cosmic Ray
Interactions (ISVHECRI 2024)

Contribution ID: 57

Type: **Contributed**

**Top-Down reconstruction of extensive air showers: a
method to quantify the rescaling of the muon signal
of hadronic interaction models**

Tuesday 9 July 2024 10:20 (20 minutes)

Presenter: CHEMINANT, Kevin (Radboud University / NIKHEF)

Session Classification: Contributed talks
