

# Low Emittance Rings workshop 2024

## Wednesday 14 February 2024

### Harmonic cavity design and experiments - energy calibration - 6/2-024 - BE Auditorium Meyrin (16:20 - 17:50)

-Conveners: Akira Mochihashi; akira mochihashi

time	[id] title	presenter
16:20	[42] Multi-frequency harmonic cavity system at MAX-IV	ANDERSSON, Åke
16:40	[43] Tests with beam at BESSY II of the ALBA 3rd Harmonic Active Cavity	BELLAFONT, Ignasi
17:00	[44] Energy calibration with resonant depolarisation & beam tests at KARA	HAERER, Bastian
17:20	[45] Discussion
