

Session Program

24 June 2024 to 5 July 2024

QCD Master Class 2024

Aspects of the theory of heavy-ion collisions

Saint-Jacut-de-la-Mer, France

Monday 1 July

16:30

18:30

Aspects of the theory of heavy-ion collisions: Lecture #1

Session | **Location:** Saint-Jacut-de-la-Mer, France | **Convener:** Francois Gelis

Tuesday 2 July

08:00

10:00

Aspects of the theory of heavy-ion collisions: Lecture #2

Session | **Location:** Saint-Jacut-de-la-Mer, France | **Convener:** Francois Gelis

Wednesday 3 July

10:30

12:30

Aspects of the theory of heavy-ion collisions: Lecture #3

Session | **Location:** Saint-Jacut-de-la-Mer, France | **Convener:** Francois Gelis

Thursday 4 July

08:00

10:00

Aspects of the theory of heavy-ion collisions: Lecture #4

Session | **Location:** Saint-Jacut-de-la-Mer, France | **Convener:** Francois Gelis

Friday 5 July

16:30

18:30

Aspects of the theory of heavy-ion collisions: Lecture #5

Session | **Location:** Saint-Jacut-de-la-Mer, France | **Convener:** Francois Gelis
