

A nighttime photograph of St. Peter's Basilica in Rome, Italy, illuminated by warm lights. The large dome is the central focus, with smaller domes and architectural details also lit up. In the foreground, the Tiber River flows, with a stone bridge featuring several arches crossing it. The bridge is also illuminated, and its lights reflect on the water. A small boat with a bright light is visible on the river. The sky is a mix of blue and orange, suggesting dusk or dawn. The overall scene is a classic view of Rome at night.

MPGD 2026

The ROMA proposal

The Local Organizing Committee

Fabio Anulli - INFN Rome

Cesare Bini - Sapienza University of Rome

Giovanni Bencivenni - INFN National Laboratories of Frascati

Gianluca Cavoto - Sapienza University of Rome

Giulia D'Imperio - INFN Rome

Paolo Iengo - INFN Naples

Mauro Iodice - INFN Rome

Giovanni Mazzitelli - INFN National Laboratories of Frascati

Andrea Messina - Sapienza University of Rome

Fabrizio Petrucci - University Rome TRE

Davide Pinci - INFN Rome

Francesco Renga - INFN Rome

Cecilia Voena - Sapienza University of Rome

The Venue

We propose to have the meeting within the **Sapienza University Campus**. Located in the **Rome city centre**, at a walkable distance from the **Central Railway Station Termini**, which is connected to the **Fiumicino** and **Ciampino airports** by train and non-stop bus, it will provide a **very easily accessible location**

The Art Museum

Among the possibilities offered by the Sapienza University offers we propose the **Museum of Classical Art**. It has a collection of about one thousand two hundred plaster casts, from the XIX century reproducing classic Greek sculptures

The Hall

Inside the museum, the Odeion Auditorium can accommodate up to 200 people. In 2024 it will be renewed with a modernisation that will cover: networking, air conditioning, conference seats and conference armchairs.

The Corridors

The museum corridors, often used for art exhibitions, can be used for both poster sessions and coffee breaks. We can plan the organization of a guided tour of the [museum of Classical Art](#) during the conference week.

The Botanic Garden

The botanic garden present within the Sapienza campus can be used for the Welcome Cocktail and for the lunches

Possible time for the event

June

Start Week On Sunday Monday

Mon	Tue	Wed	Thu	Fri	Sat	Sun
					1  +25° night +17°	2  +26° night +18°
3  +27° night +18°	4  +27° night +19°	5  +26° night +20°	6  +27° night +19°	7  +28° night +20°	8  +28° night +21°	9  +28° night +21°
10  +29° night +20°	11  +28° night +21°	12  +28° night +20°	13  +28° night +21°	14  +28° night +20°	15  +28° night +21°	16  +29° night +21°

We propose to have the conference in the first half of June when no teaching activities take place.

The weather in Rome is generally fine with warm temperatures.

Social activities

Long days could allow an afternoon social outing, consisting of a visit to the archeological site of Ostia Antica, where the ancient Roman town has been fully revealed and a social dinner on the seafront in Fiumicino.

Visit to INFN Labs

According to the workshop schedule, we can also plan a visit to the INFN National Laboratories of [Frascati](#) (left picture below) or [Gran Sasso](#) (right picture below). Both of them are reachable by bus.

The fee

We studied the possibility of an all-inclusive service:

- 2 coffee breaks per day;
- 5 lunches at the conference site;
- the social dinner;

Total cost would be around 45 k€ resulting in an approximate fee for 100 people is estimated at 450 €.

An alternative without included lunches translates into a reduction of 10 k€ and therefore in a fee of about 350 €.

According to our past experience it could be likely possible to collect from INFN and Sapienza a total of 10 k€ of fundings, resulting in a fee reduction of 100 € per person

Possibilities for accomodation

Around the University Campus and very close to the train station there are several accommodation options. We investigated for guidance on convention prices for events at the University.

Hotel Ateneo Garden Palace 4*
