

Fermilab expression of interest to host the next Higgs Pairs workshop

Artur Apresyan for co-organizers

Expression of interest

- We propose to host the next edition of the Higgs Pairs workshop at Fermilab (USA) in 2024
 - **Venue:** Wilson Hall at Fermilab
- Fermilab and the city of Chicago offer countless opportunities
 - Impressive metropolitan area with many possibilities for site-seeing
 - Infrastructure and atmosphere for rigorous academic exchange
- Fermilab routinely hosts large conferences and workshops,
 - We are committed to ensure smooth process throughout the event

Details of the proposal

- Preferred dates of the workshop: **August to October 2024**
 - We are flexible to allow broadest participation
- Estimated registration fee: **around \$200**
 - Will need to be finalized with FNAL conference office
- Housing and hotel cost: **starting around \$90 per night**
 - Many hotels near FNAL:
