Hey everyone!
I arrived at CERN and excited to see you all tomorrow.

I was thinking it might be easier and more efficient to move our discussions from this Facebook group to a WhatsApp group. What do you all think about setting up a WhatsApp group for better communication?

Hey, Raai! yesterday night we started a whatsapp group. And above there is another link from **Bibi Bailas**. So far I am part of 3 whatsapp groups. 😊 Maybe at the welcome session today's evening we can merge them together?
