CMS

The closing of the CMS experiment

Engineering • CERN

The Power of Air

- 1 ballon and 1 hovercraft per person (no exchanges)
- Try out your hovercraft on different surfaces
- Compare with your neighbours
- Work together in teams of 2 to move your detectors

A balloon hovercraft & the CMS detector?!

Education • CERN

DIY Balloon Hovercraft

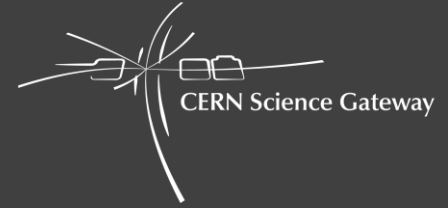

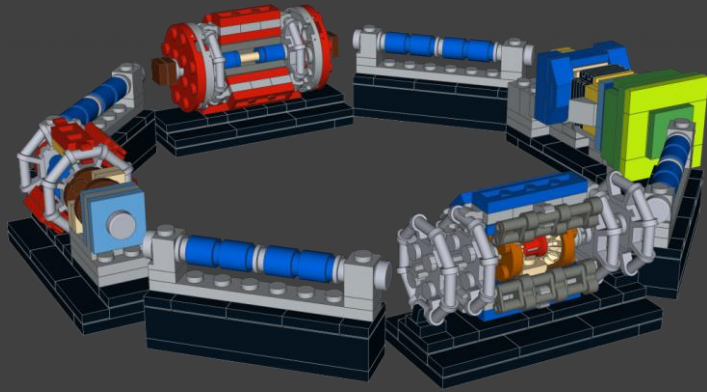

- A smooth surface
- A CD or DVD
- Super glue
- A sports bottle cap
- A cardboard tube
- A balloon

<https://solvay-education-programme.web.cern.ch/balloon-hovercraft-cms-particle-detector>

**A balloon hovercraft
& the CMS detector?**
