

## **Session Program**

**21 September 2023**

# **Visit of University of Darmstadt at CERN**

## ***Visits***

CERN

## Thursday 21 September

13:45

### **Visits: Visit of POPS-B power converter with energy storage for PS-Booster accelerator**

**Session** | **Location:** b. 245 | **Convener:** Manuel Colmenero Moratalla

14:15

14:30

### **Visits: Assembly Hall for HL-LHC Superconducting Magnets**

**Session** | **Location:** b. 180 | **Convener:** Stephan Russenschuck

15:00

15:30

### **Visits: Power Quality at CERN and Static Var Compensators at CERN**

**Session** | **Location:** b. 877 | **Convener:** Karsten Kahle

16:00

16:15

### **Visits: Radio-frequency systems for SPS**

**Session** | **Location:** b. 770, RdV in front of CCC at 16h15 | **Convener:** Eric Montesinos

16:45

16:50

### **Visits: CERN Control Center, Preveessin site**

**Session** | **Location:** b. 874 | **Convener:** Christoph Wiesner

17:20

17:30

### **Visits: CERN Control Center for the Alpha-Magnetic Spectrometer AMS at the International Space Station**

**Session** | **Location:** b. 946 | **Convener:** Andrzej Siemko

18:00
