

# Mailing list changes

---

- Why?
  - Simplify channels of communication
  - Data privacy considerations (CERN data privacy rules)
- What changes?
  - [rucio-users@googlegroups.com](mailto:rucio-users@googlegroups.com)
    - Users mailing list
    - Barely used
    - Instead we want to channel all support/user questions to the Mattermost channels
    - This mailing list will be CLOSED ❌
  - [rucio-workshop@googlegroups.com](mailto:rucio-workshop@googlegroups.com)
    - Mailing list for workshop announcements
    - Barely used, just send 2-3 bulletins per yearly workshop
    - Instead channel people to the mattermost channels and use [rucio-announce@cern.ch](mailto:rucio-announce@cern.ch) for workshop announcements
    - This mailing list will be CLOSED ❌

# Mailing list changes

---

- What changes?
  - [rucio-announce@cern.ch](mailto:rucio-announce@cern.ch)

    - Rename to [rucio-news@cern.ch](mailto:rucio-news@cern.ch)
    - One issue: Self-signup only possible with a (lightweight) CERN account
      - Will add a [rucio-news-subscribe@cern.ch](mailto:rucio-news-subscribe@cern.ch) to manage external subscriptions
