ANNOUNCEMENT OF APPLICATION RESULTS

We thank the applicants for their interest and we congratulate them for the quality of their application.

The selection results have been sent via individual emails to all candidates. The email was sent to the email address that you have given on the application form.

If you have not received any email (also check your spam folder), please notify us at ah@indico.cern.ch.

The Romanian Teacher Programme 2024 will take place from 9-14 June 2024. Lectures, on-site visits, exhibitions, and hands-on workshops will introduce its participants to cutting-edge particle physics. We invite our participants to go back to Romania as ambassadors, who pass on the subject to our next generation of physicists, engineers, IT specialists.

Eligibility Criteria:

- The candidate should be an upper secondary school (high-school) physics teacher in Romania.
- The candidate should have not participated in a similar CERN programme before.
- Though most activities will be conducted by Romanian-speaking researchers, it is preferable that the candidate has some knowledge of English.

How to Apply:

- The applicants have to apply online.
- The candidates should provide standard personal information, e.g., name, address, date of birth, etc.
- The applicants should have all the required documents before applying: the curriculum vitae (CV), letter of motivation, social certificate.
- Candidates should complete all the required fields for each section.
- Complete your application form carefully and submit it because it cannot be edited after submission.

Additional Information:

No participation fee applies; the programme is free of charge. The budget (at CERN, Horizon) and meals cover for all 15 selected teachers (with the possibility to extend it up to 24 depending on the country's fully covered as part of the national program). Coverage for University with Romania (CERN-DURCO-CERN), Transportation costs between Bucharest and Geneva are also covered.

Further details on the curriculum, travel, social events, etc., will be added to this page when available.

For questions, please email ah@indico.cern.ch

We are looking forward to your application!
