

Compute and Accelerator Forum Introduction

2024-01-10

Ben, Graeme, Maria, Michael, Stefan

Compute and Accelerator Forum - 10 January

- Happy New Year!
- Today we have a talk looking at *Three garbage collectors: Java, Python, and Julia* introduced by Jim Pivarski from Princeton
- We are organising the [meetings now for the rest of 2024](#)
 - 14 February, HEPIX Benchmarking, Domenico Giordano
- If you would like to present or to propose a topic, please get in touch
 - compute-accelerator-forum-organizers@cern.ch
