

Session Program

5-6 Oct 2023

**Ultrahigh vacuum training at CERN for Danish
companies. October 5-6, 2023**

Thursday 5 October 2023 afternoon session

CERN, 30/7-010

Thursday 5 October

13:30

Thursday 5 October 2023 afternoon session

Session | **Location:** CERN, 30/7-010

13:30–15:00 **General visit at CERN (AD and SC)**

Speakers

Marton Ady, Paolo Chiggiato

15:00–15:40

Visit to 113 (main vacuum components and vacuum qualification tests) with coffee break in 30/7-010

Location

CERN, 113

15:40–16:05

Mechanical design for vacuum technologies of particle accelerators

Speaker

Cedric Garion

Location

CERN, 30/7-010

16:05–16:30

Thin films for accelerator equipment

Speaker

Guillaume Jonathan Rosaz

Location

CERN, 30/7-010

16:45–17:30

Visit to 101 and 181 (coatings)

Speakers

Mauro Taborelli, Pedro Costa Pinto

Location

CERN, 30/7-010

17:30
