

International Conference on Future Prospects in Neutrino and Astroparticle Physics

Tuesday 23 January 2024 - Wednesday 24 January 2024

Assam Don Bosco University Guwahati

Scientific Programme

The Topics are:

- 1. Neutrino Oscillation Physics**
- 2. Neutrinoless Double Beta Decay**
- 3. Searching for Sterile Neutrinos**
- 4. Neutrino mass and BSM physics**
- 5. Neutrinos in Astrophysics and Cosmology**
- 6. Dark matter, Leptogenesis and Neutrinos**
