When prompted for your local contact, enter my name (Joachim Kopp)

## Printing

printers in Theory Department (room 4/2-002)  
accept USB thumb drives

# Lecture Program

## During the lectures

- We encourage you to ask questions!
- In the Council Chamber, use **microphone at your seat**

## Homework

- Lecturers will propose exercise problems.
- Choose from them, work on them in groups or alone
- Use the discussion session at the end of each day to discuss with the lecturers

# Practical Info: Financial Affairs

- If we'll be covering your hostel bill
  - nothing you need to do
- Otherwise, pay the hostel at your convenience

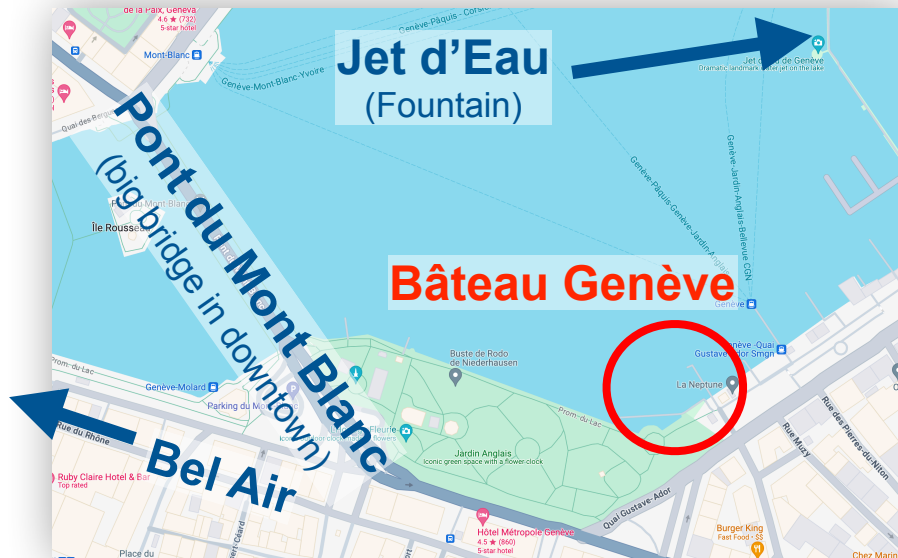

# Practical Info: Social Events

- Welcome Reception  
tonight (05.06. at 18:00), in front of the Council Chamber
- Reception on a boat moored in Lake Geneva  
Monday, 10.06. at 18:30 (we'll go there by tram)
- Free day on Sunday  
we'll propose some excursion,  
depending on the weather

# Reception on Bateau Genève

- ☑ Reception on a boat moored in Lake Geneva  
Monday, 10.06. at 18:30
- ☑ to get there, take Tram 18 to Bel-Air (~30 min),  
then walk along the lake shore (~15 min)

# Practical Info: Social Events

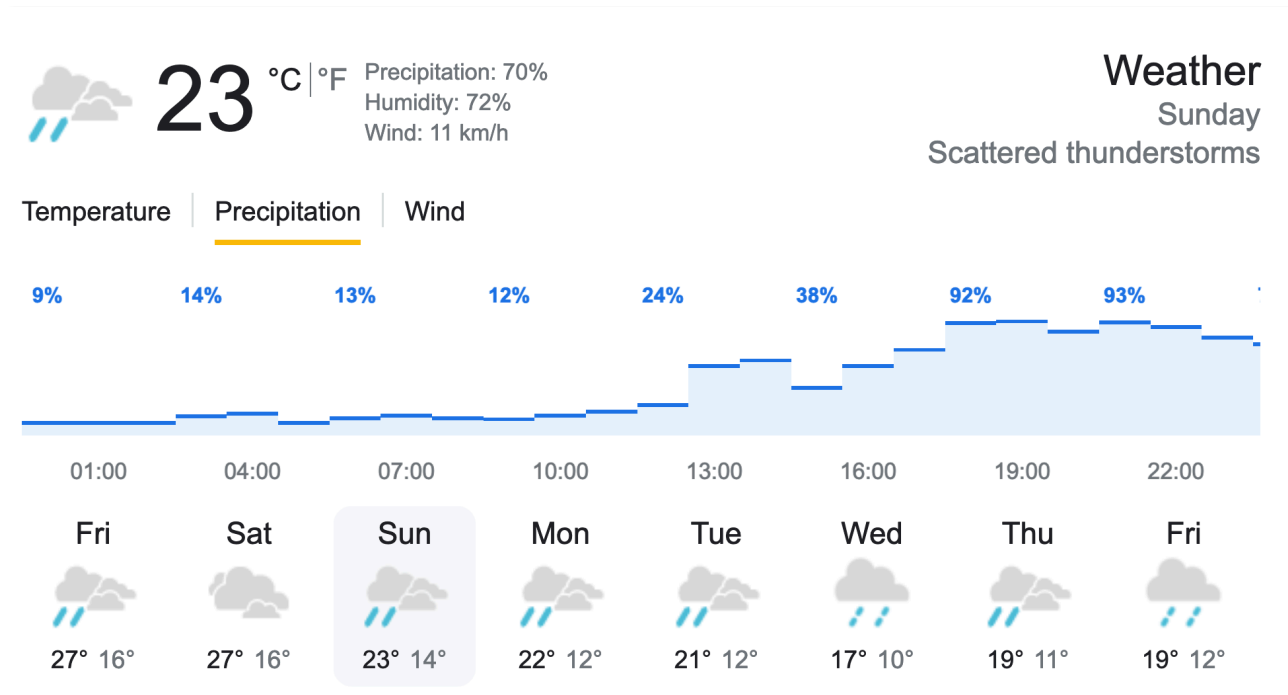

## Guided Tours of the ProtoDUNE experiments

- on Tuesday, 11.06.
- Tour 1  
departure 15:30 from bldg. 300, return around 16:45
- Tour 2  
departure 16:15 from bldg. 300, return around 17:30
- please sign-up via Indico
- we will be visiting a radiation area, therefore:
  - \* must be over 16 years old
  - \* no pregnant people allowed
  - \* no eating or drinking allowed during the visit
  - \* please wear closed shoes (no sandals / flip-flops)

# Suggestions for Sunday

## Mixed weather forecast

- dry but cloudy in the morning
- rain/thunderstorms in the afternoon

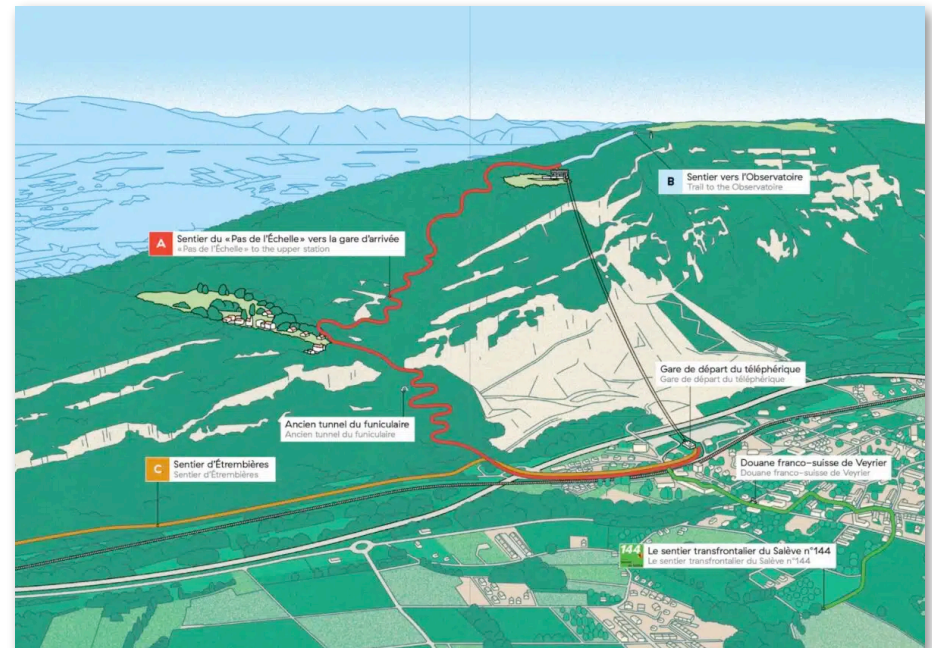

# Suggestions for Sunday

## Hike up the **Salève**

(the elongated mountain SE of Geneva)

- start at the “**Aire du téléphérique du Salève**”  
(bottom of the cable car) – about 1h15 by tram/bus
- hike up via the  
**village of Monnetier**
- see [this link](#) for details  
(in French)
- takes about 2.5 hrs
  - ▣➔ start early enough
- possibility to take the cable car down

# Suggestions for Sunday

- ☑ Another great hike is the Sentier de l'Orjobet
  - trailhead is [here](#)
  - passes through a small cave – the Grotte de l'Orjobet
  - unfortunately a bit difficult to reach with public transportation
  - leave early to get down again before the rain
- ☑ Museums in Geneva
  - see [this link](#)
  - for instance: [Patek Philippe Museum](#) if you're interested in Swiss watchmaking
- ☑ Take a train to [Lausanne](#) or [Montreux](#)

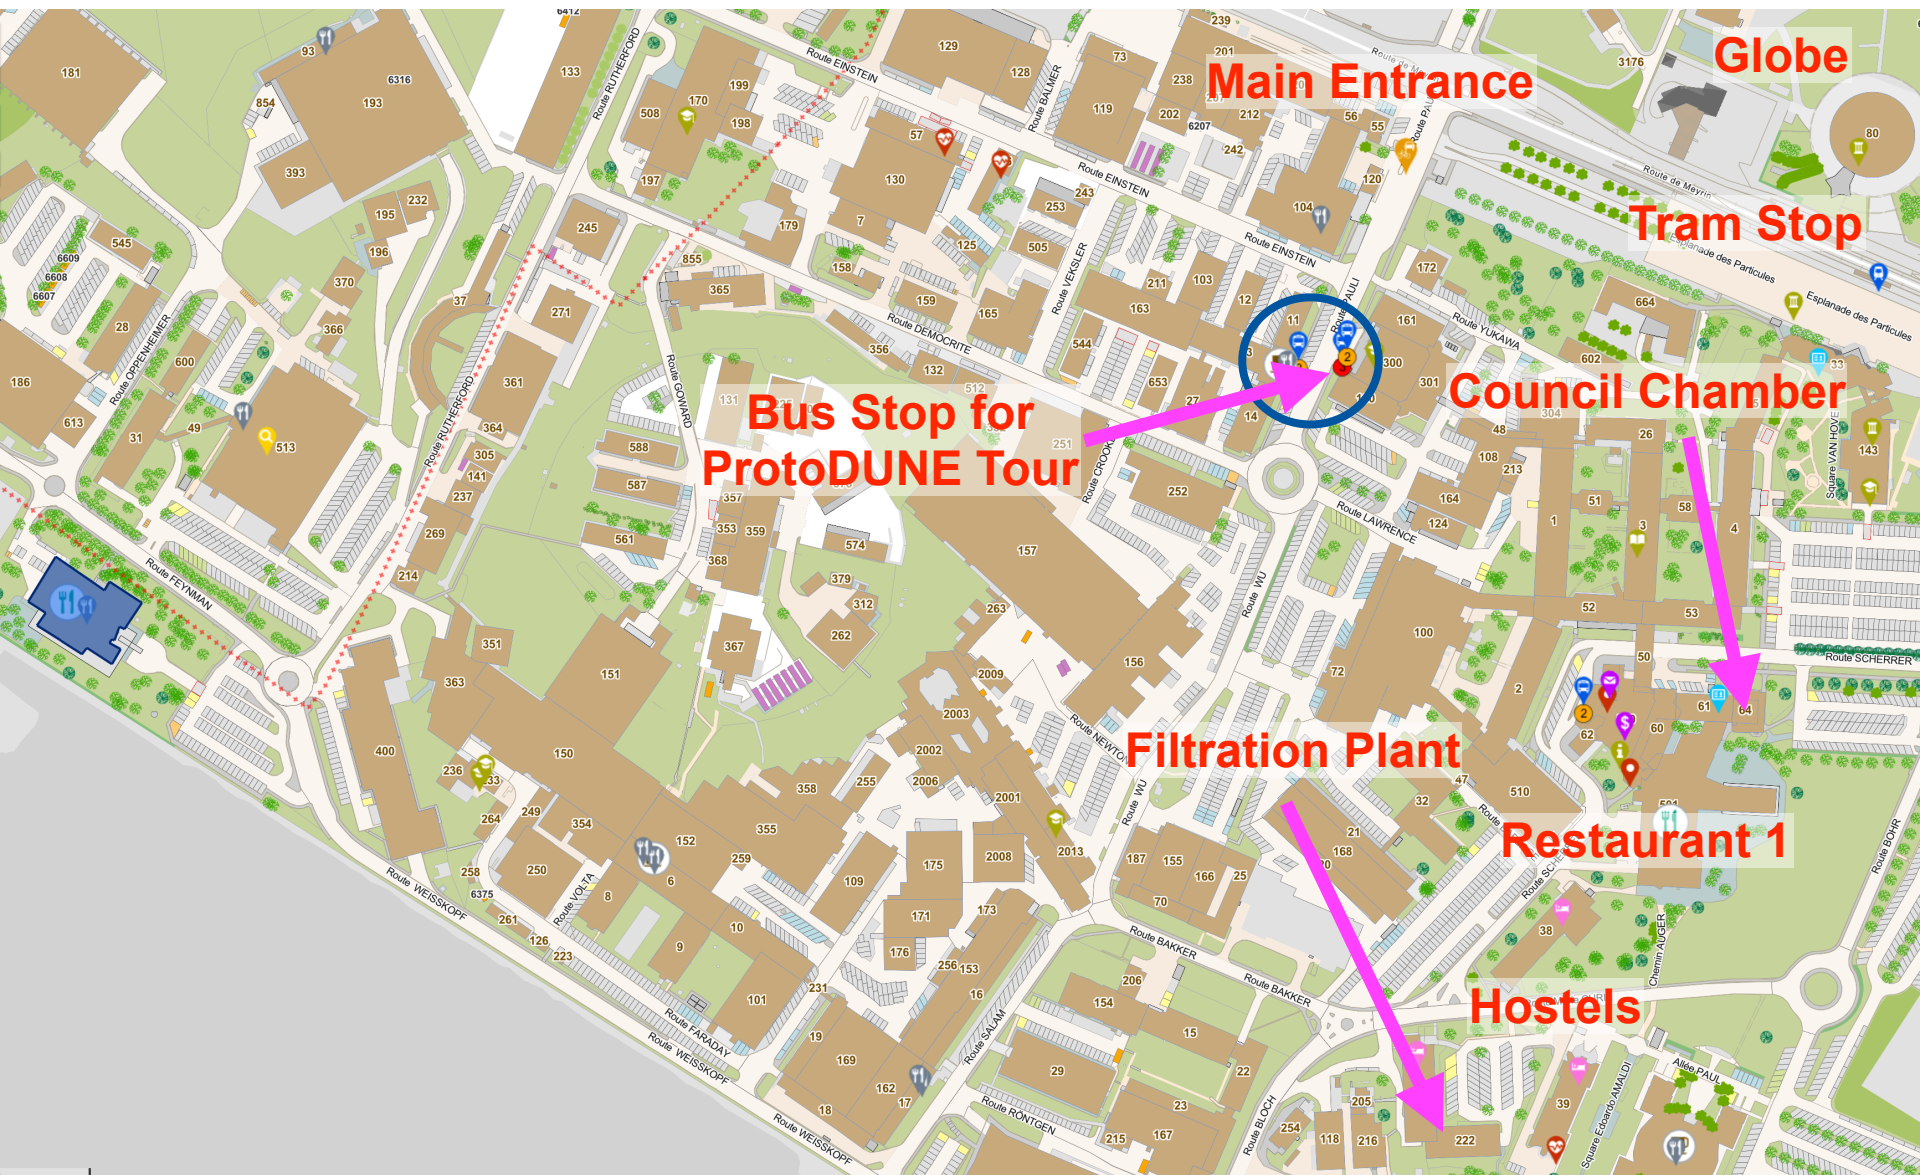

# Suggestions for Sunday

## Accrobranche

in Parc des Éveaux

- parcours at different levels of difficulty
- great **ziplines**
- **42 CHF** per person for 3 hrs
- wear appropriate shoes, no jewellery, long hair tied back
- **sign up on Indico by today (Friday 07/06 at 6 pm)**
- I'll make (and pay) a reservation for Sunday at 10 am. Please pay me back on Sunday or next week.
- we'll leave from CERN with the tram at **8:44 am**
- meeting point at the CERN tram stop at **8:40 am**
