## OCM State of the Art

*Tuesday 12 March 2024 11:20 (10 minutes)*

This presentation will set the scene for the Campfire session.

The current state of the specification and its latest evolution will be presented, with reference to the ScienceMesh infrastructure and the CS3 community at large.

A number of questions will be raised, which can be discussed in the Panel discussion that will follow the topical lightning talks.

**Presenter:** LO PRESTI, Giuseppe (CERN)

**Session Classification:** OpenCloudMesh Campfire

**Track Classification:** Interoperability: protocols, APIs, OpenCloudMesh (OCM)
