## **Evolving the OCM test suite to ease implementations' compliance**

*Tuesday 12 March 2024 11:45 (5 minutes)*

We give an update on the latest development of the OCM test suite. This includes the switch from Puppeteer to Cypress as a testing framework and the ability to execute tests in CI pipelines. We also present current test coverage and vendor support.

**Presenter:** MESTERHEIDE, Sandro

**Session Classification:** OpenCloudMesh Campfire

**Track Classification:** Interoperability: protocols, APIs, OpenCloudMesh (OCM)
