GCP Strategy

Vision: A connected, collaborative and harmonised research and education networking community.

Mission: Provide optimal conditions for the R&E networking community to collaborate both face-to-face and virtually.

Are we on track?

- Current version from April 2020- to be reviewed every 4 yrs
- Participatory process for revision-input from GCC, SIG/TF Coordinators and SC representatives

Innovation Programme

Innovation Programme 2024:

66 Submissions from 20 countries

13 cloud

SIG-CISS:

- How to connect previous and future cloud projects?
- How to promote in your channels?
- What role can you take to better align?

TNC 2024 Community Hub

How will SIG-CISS participate:

- Live demos?
- Small group deep dives after your SIG-CISS side meeting?
- Marketplace to grow your membership?

All ideas welcome!
