

Contribution ID: 326

Type: Oral

Latest developments in high-energy QCD to understand the initial state in heavy-ion collisions

Friday 11 April 2025 09:30 (30 minutes)

Collaboration (if applicable)

Category

Presenter: SALAZAR, Farid (Institute for Nuclear Theory, University of Washington)

Session Classification: Plenary session 7: Initial state of hadronic and electron-ion collisions & nuclear structure
