

Session Program

20-25 Oct 2024

Blois 2024: 35th Rencontres de Blois on "Particle Physics and Cosmology"

Parallel Session Thursday - Collider:

Gaston d'Orléans

Thursday 24 October

16:15

Parallel Session Thursday - Collider:

Session | **Location:** Gaston d'Orléans | **Convener:** Joseph Enea Davighi

16:15–16:35

Physics Prospects and Detector Design for a Future Multi-TeV Muon Collider

Speaker

Antonello Pellecchia

16:35–16:55

New techniques for reconstructing, calibrating and identifying hadronic objects with ATLAS

Speaker

Sven Menke

16:55–17:15

CMS Muon Object Performance in Run 3

Speaker

Raffaella Radogna

17:15
