

An aerial night view of a city skyline. The central focus is a tall, cylindrical skyscraper with a dense grid of lights, topped with a spire. To its left, another tall building is under construction, with a crane visible. The city is illuminated with various lights, and a river or lake is visible on the right side. The sky is a mix of blue and purple, suggesting dusk or dawn.

ISOTDAQ 2024 Surveys

Hannes Sakulin CERN EP/CMD on behalf of the ISOTDAQ COC

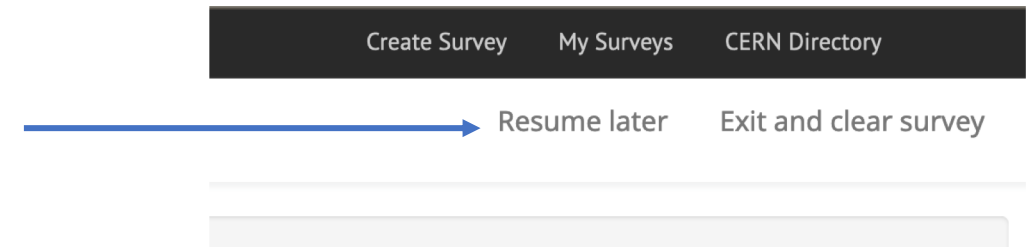

Students feedback

- **Survey 1 : Lectures and labs survey**

- Important for us to improve the school
- Opened throughout the school
- No password, just the link is enough (from the ISOTDAQ 2024 Indico page)
- Click “submit” only at the end of the school
- First page is for the labs, next pages are for the lectures (1 page per day)
 - For labs tutored by different tutors throughout the school, please add the name of your tutor in the appropriate field
- There is a free text field at the end of the labs and the lectures surveys

- To resume filling up the form, either use the same browser or click here

ISOTDAQ 2024 - International School of Trigger and Data Acquisition

19–28 Jun 2024
Hefei, China
Asia/Shanghai timezone

Now happening: [Introduction to Data Acquisition](#) 09:00 - 10:00

Welcome
