SPONSORSHIP OPPORTUNITIES

27TH INTERNATIONAL CONFERENCE ON COMPUTING IN HIGH-ENERGY & NUCLEAR PHYSICS

CHEP 2024

19-25 OCTOBER 2024

27th International Conference on Computing in High-Energy & Nuclear Physics

The CHEP2024 will be held at Audytorium Maximum of Jagiellonian University in Krakow, Poland, on 21-25 October 2024.

The 27th International Conference on Computing in High-Energy & Nuclear Physics attracts over 500 international attendees and provides a unique opportunity for computing experts across Particle and Nuclear Physics to come together to learn from each other.

For first-time attendees and returning registrants, exhibitors and sponsors alike, the calibre of participants, the extraordinary venue and the structure of the agenda create the perfect environment for making contacts and getting business done.

Sponsorship opportunities for the CHEP2024 are available at several levels. Information, including logos and descriptions, about the event's sponsors can be included and displayed on the event website, in specific parts of the event program, and as part of materials received by each attendee. We invite your organization to become a sponsor of the 27th International Conference on Computing in High-Energy & Nuclear Physics. See below for details regarding sponsorship levels and benefits for each one. Sponsorship of CHEP 2024 at any level is welcome. All sponsors will receive appropriate recognition on the conference website, on event signage, and in the proceedings. There are four different tiers of sponsorship available (Bronze, Silver, Gold, and Platinium). All sponsorship agreements are fully negotiable.
