

12th International Conference on Hard and Electromagnetic Probes of High-Energy Nuclear Collisions

Sunday, 22 September 2024

Student Lectures: Jet and High p_T (09:00 - 10:30)

Student Lectures: Heavy Flavor and Quakonia (11:00 - 12:30)

Student Lectures: Initial State and Early Time Dynamics (14:00 - 15:00)

Student Lectures: Electromagnetic and Weak Probes (15:30 - 16:30)

Student Lectures: Q&A, Discussion Session (17:00 - 18:00)
