

# 12th International Conference on Hard and Electromagnetic Probes of High-Energy Nuclear Collisions

## Tuesday, 24 September 2024

### Parallel Session 12 (09:00 - 10:20)

time	[id] title	presenter
09:00	[174] Scaling of pre-equilibrium dilepton production in QCD Kinetic Theory	GARCIA MONTERO, Oscar Jesús
09:20	[201] Effects on the dilepton radiation induced by a background magnetic field	GAO, Han
09:40	[185] Dilepton emission in heavy ion collisions and chemical equilibrium of QCD matter	WU, Xiang-Yu
10:00	[109] Signature of chiral mixing in dilepton production at LHC energy	SAKAI, Azumi
