

12th International Conference on Hard and Electromagnetic Probes of High-Energy Nuclear Collisions

Thursday, 26 September 2024

Plenary Session VI (10:50 - 12:30)

time	[id] title	presenter
10:50	[329] Jets: Experimental overview	
11:15	[330] Jets: Substructures and energy-energy correlator	
11:40	[331] Jets: Hard-jet correlation	
12:05	[332] Theory+Experiment Approach: Bayesian analysis with jet MC models
