

# 12th International Conference on Hard and Electromagnetic Probes of High-Energy Nuclear Collisions

## Tuesday 24 September 2024

### Parallel Session 18 - Room 102 (14:00 - 15:20)

time	[id] title	presenter
14:00	[148] Measurements of heavy-flavor azimuthal correlations and b-jet suppression in 5.02 TeV Pb+Pb collisions with ATLAS	MOHAPATRA, Soumya
14:20	[172] Hadronization and Energy Loss of Beauty Quark from Flavor-Identified B-Hadrons $R_{\mathrm{AA}}$ in pp, pPb, and PbPb Collisions with CMS	SHENG, Tzu-An
14:40	[25] The impact of glasma on heavy quark spectra and correlations	AVRAMESCU, Dana
15:00	[204] Holographic Heavy Quark Energy Loss in the Hybrid Model	Mr DU PLESSIS, Jean
