

Day of Femtoscopy (A femtoszkópia napja)

Monday 30 October 2023

Welcome, Opening and Odderon: Single diffractive dissociation and Odderon at CERN LHC - Rector's Council Room, Floor 1, main building (09:00 - 10:30)

-Conveners: Tamas Csorgo

time	[id] title	presenter
09:00	[37] Cross-checking Odderon signals at small $-t$ and a strong form of Pomeranchuk's theorem	Prof. CSÖRGŐ, Tamás
09:30	[60] Dip structures in proton diffractive dissociation	JENKOVSKY, Laszlo JENKOVSKY, Laszlo
10:00	[52] Dip-bump structures in elastic pp scattering and single diffractive dissociation	SZANYI, István
