ePIC Software & Computing Meeting

Tutorial

CERN, 40/S2-D01 - Salle Dirac

Wednesday 24 April

09:00

Tutorial: Introduction to ePIC Software: Getting Started with Detector and Physics Studies for the TDR

Session | Location: CERN, 40/S2-D01 - Salle Dirac | Convener: Holly Szumila-Vance

09:00–10:00 **Overview of ePIC Software**

Speaker

Holly Szumila-Vance

10:00

10:00

Tutorial: Working with Simulation Output

Session | Location: CERN, 40/S2-D01 - Salle Dirac | Convener: Dr Stephen Kay

10:00–11:00 **Working with Simulation Output**

Speaker

Dr Stephen Kay

12:00

13:30

Tutorial: Simulating Detectors and Their Readout

Session | Location: CERN, 40/S2-D01 - Salle Dirac | Convener: Simon Gardner

13:30–15:30 **Detector Simulations**

Speaker

Simon Gardner

15:30

15:30

Tutorial: Developing Reconstruction Algorithms

Session | Location: CERN, 40/S2-D01 - Salle Dirac | Convener: Nathan Brei

15:30–17:30 **Reconstruction Algorithms**

Speaker

Nathan Brei

17:30
