22–26 Apr 2024

ePIC Software & Computing Meeting

Streaming Computing

CERN, 40/S2-D01 - Salle Dirac

Thursday 25 April

09:00

Streaming Computing: Implementations
Session | **Location:** CERN, 40/S2-D01 - Salle Dirac

09:00–09:15 **Streaming Data Processing at ePIC: Overview and Requirements**

Speaker
Torre Wenaus

09:15–09:45 **Allen Project: Status Update and Lessons Learned**

Speaker
Roel Aaij

09:45–10:30 **Discussion**

10:30

11:00

Streaming Computing: Distributed Computing Model
Session | **Location:** CERN, 40/S2-D01 - Salle Dirac

11:00–11:30 **PanDA for Distributed Learning and Streaming Data Processing**

Speaker
Wen Guan

11:30–11:45 **Discussion**

11:45–12:15

Rucio for Scientific Data Management, Authentication, and Future Development

Speaker
Martin Barisits

12:15–12:30 **Discussion**

12:30

14:00

Streaming Computing: EICrecon Roadmap
Session | **Location:** CERN, 40/S2-D01 - Salle Dirac

14:00–15:30 **EICrecon Roadmap: Group Discussion**

Speaker
Wouter Deconinck

15:30

16:00

Streaming Computing: Metadata
Session | **Location:** CERN, 40/S2-D01 - Salle Dirac

16:00–16:30 **Metadata**

Speaker
Paul James Laycock

16:30–17:00 **Towards an HSF Reference Implementation Conditions Database**

Speakers
Lino Oscar Gerlach, Ruslan Mashinistov

17:45

17:00–17:30 **Group Discussion**
