Programme Website

The screenshot shows the homepage of the French Language Teacher Programme website. At the top, there is a blue header with the French flag and the text "French Language Teacher Programme". Below the header, the date "20-25 Oct 2024" and "CERN" are displayed, along with the time zone "Europe/Zurich timezone". A search bar is located in the top right corner. The main content area is divided into a left sidebar and a main text area. The sidebar contains links for "Overview", "Useful links", "Timetable", and "Administrative Support:" with an email icon and the address "teacher.programmes@c...". The main text area contains a paragraph about the programme, a link to the programme page, contact information for the Teacher Programmes Manager (Jeff Wiener), emergency contact information for the CERN fire brigade, and a section for dates and location. There are also icons for downloading documents like "Brochure du stage", "Compléments", and "Plans d'accès". A footer note provides information about the scientific programme and agenda.

The **French Language Teacher Programme 2024** will take place from 20-25 October 2024. Lectures, on-site visits, exhibitions, and hands-on workshops will introduce its participants to cutting-edge particle physics. We hope our participants will go back to their countries as ambassadors, who pass on the subject to our next generation of physicists, engineers, IT specialists...
