## ***Institute for Electrical and Electronic Engineer***

the world's largest technical professional organization dedicated to the  
advancing of technology for the benefit of humanity

Over 460,000 members in more than 160 countries

Has 39 technical Societies and seven Technical Councils representing the  
wide range of IEEE technical interests

**C**ouncil on **S**uper**C**onductivity over 20,000 affiliates

## ***Why to become an IEEE member and affiliate with Council***

### ***Promotes and supports a community in Superconductivity and related fields***

- **Publishes:**

IEEE Transactions on Applied Superconductivity <http://ieeexplore.ieee.org/servlet/opac?punumber=77>

Superconductivity News Forum [with ESAS] <http://snf.iececsc.org>

- **Organizes:** ASC – Applied Superconductivity Conference

- **Sponsors:** EUCAS – European Conference on Applied Superconductivity

ISEC – International Superconductive Electronics Conference

MT – Magnet Technology conference

WOLTE – Workshop on Low Temperature Electronics

... + many more events.

- **Supports:** Educational activities (Distinguished Lecturers program)

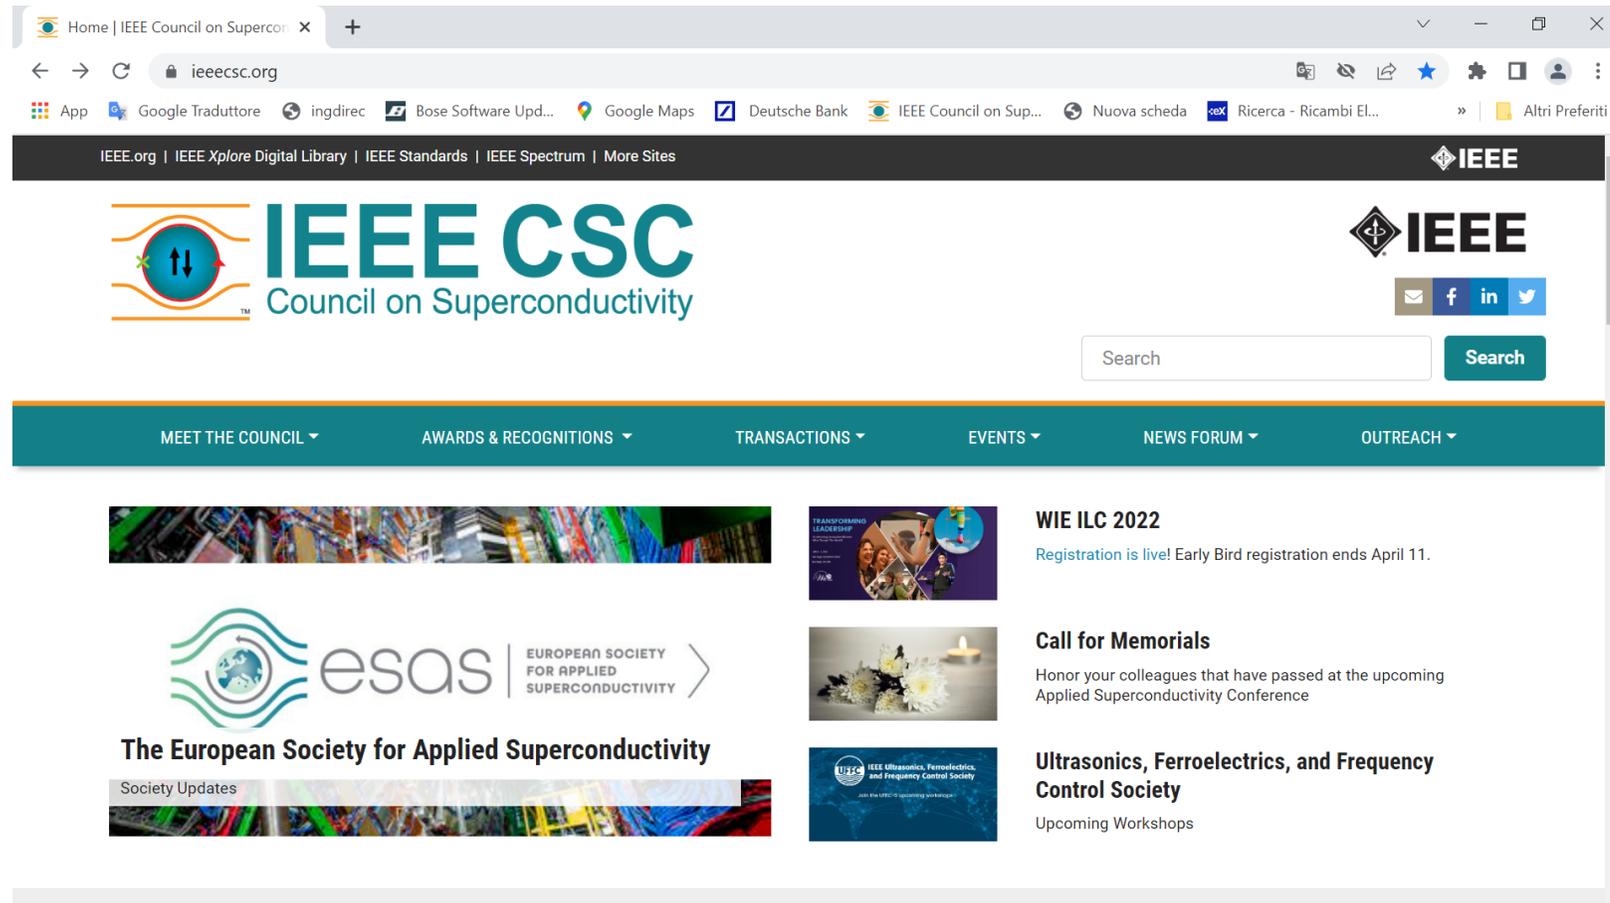

Students (Financial assistance, fellowships, student networking)

Chapters (local activities, events)

- **Assigns awards on:** large scale, material, small scale and Max Swerdlow for sustained service to AS community

The screenshot shows a web browser displaying the IEEE Council on Superconductivity website. The browser's address bar shows the URL [ieeecsc.org](https://ieeecsc.org). The website header includes the IEEE logo and navigation links for Home, IEEE Xplore Digital Library, IEEE Standards, IEEE Spectrum, and More Sites. The main content area features the IEEE CSC logo, a search bar, and a navigation menu with categories: MEET THE COUNCIL, AWARDS & RECOGNITIONS, TRANSACTIONS, EVENTS, NEWS FORUM, and OUTREACH. Below the navigation menu, there are several featured articles and announcements:

- WIE ILC 2022**: Registration is live! Early Bird registration ends April 11.
- Call for Memorials**: Honor your colleagues that have passed at the upcoming Applied Superconductivity Conference.
- Ultrasonics, Ferroelectrics, and Frequency Control Society**: Upcoming Workshops.

On the left side of the page, there is a banner for the **The European Society for Applied Superconductivity (ESAS)**, which includes a logo and the text "EUROPEAN SOCIETY FOR APPLIED SUPERCONDUCTIVITY". Below this banner is a "Society Updates" section.
