

IPPOG video session : welcome !

In the core team : Fabiola Cacciatore, Chetna Krishna, Claire Adam

Answered to forum call : Cecilia Urbique Estrada (Mexico), Marina Passaseo (Italy)

Via the IMC photo competition : photos from Italy, Portugal, France, Bulgaria, Switzerland, the Netherlands, Kenya, Mexico

+ Any of you who may want to join in future, as images as a key medium to convey messages

2 independent projects, but common needs

- In conversation with IPPOG : representatives interviews
 - ✓ See presentations by Fabiola,
 - ✓ Action as we speak !
- Master class video : current one dates back to 2012 😞
 - ✓ In the hands of the IMC community
 - ✓ Definitely a longer term project
- In common to those : the need for ” background footage ” with people and/or events, activities, locations ...

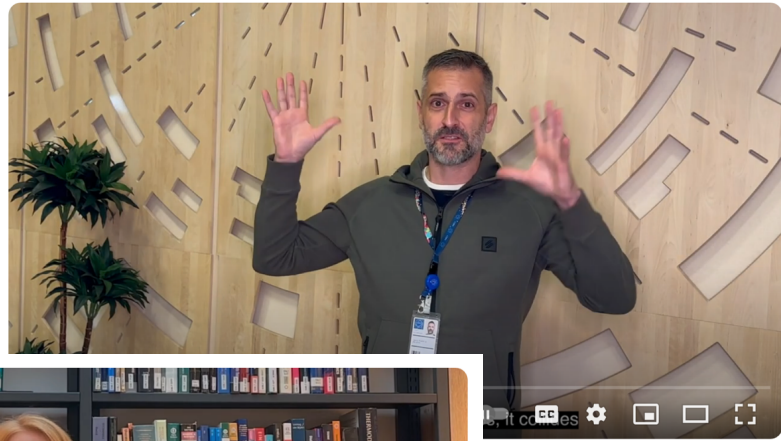

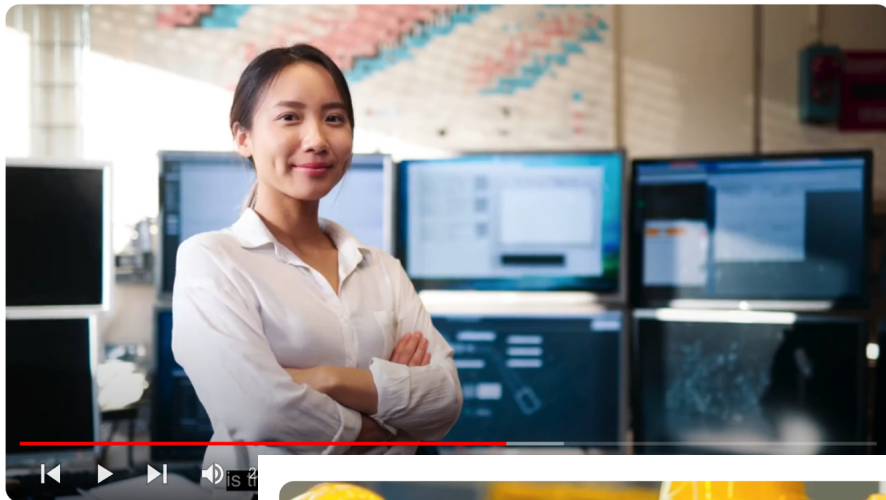

INTERVIEW
WITH IPPOG
REPRESENTATIVES

IPPOG
International Particle Physics Outreach Group

For example, in our (iconic) first video we have great IPPOG people !

But Chetna had to fill the gaps with CERN images

IPPOG Spring week, April 2024

The question is : how can we help you ? [e.g. guidelines]

**We need footage of your
activities, students, labs !!!**
