## Mediterranean Science: Seven key thematic areas

30 September 2022, Valencia.

### Curiosity is the fuel of science

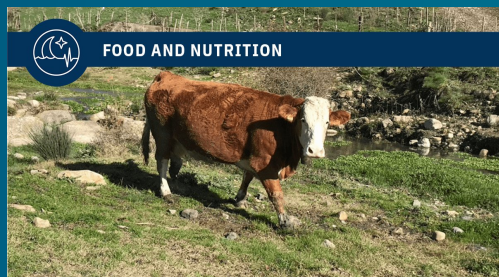

The Institute of Chemical Technology (ITQ, CSIC-UPV) will organize a series of workshops open to the general public and families. These scientific workshops will bring the public, in an entertaining and fun way, to basic principles of chemistry that can be found on a daily basis, related to topics such as energy, food or new materials.

30 September 2022, Valencia.

### Microplant

Do plants have veins? Can you have a tree in a jar of jam? All this and much more can be discovered in the workshop of the Institute of Molecular and Cellular Biology of Plants (IBMCP, CSIC-UPV).

### TALKS

### Cheese-making with vegetable rennet as an element of product and process innovation

**DATE** 30 September From 4.00 p.m. to 11.55 p.m.
