

SPEAKERS COMMITTEE REPORT

Despina Hatzifotiadou
INFN Bologna, Italy

On behalf of the IPPOG Speakers and Publications Committee

Current members : Farid Ould-Saada, Despina Hatzifotiadou

Past members : Dezsö Horvath, Jonas Strandberg

CONFERENCES IN 2023

CHEP2023 International Conference on Computing in High Energy & Nuclear Physics, 8-12 May 2023, Jefferson Lab, Norfolk, Virginia, USA

<https://www.jlab.org/conference/CHEP2023>

"The International Particle Physics Outreach Group - Engaging the world with science"

Presented by Sahal Yacoob

LHCP2023 Large Hadron Collide Physics 22-26 May 2023, Belgrade, Serbia

<https://lhcp2023.ac.rs>

"Update on the IPPOG activities"

Presented by Roumyana Mileva Hadjiiska

LP2023 LEPTON PHOTON 2023 17-21 July 2023, Melbourne, Australia

<https://indico.cern.ch/event/1114856/>

"Particle Physics Masterclasses for the Public: Finding the Scientist in Everyone"

Presented by Jaqueline Bondell

CONFERENCES IN 2023

EPS-HEP2023 EPS Conference on High Energy Physics, 21-25 August 2023, Hamburg, Germany

<https://www.eps-hep2023.eu>

"The International Particle Physics Outreach Group "

Presented by Claire Adam Bourdarios

TAUP2023 International Conference on Topics in Astroparticle and Underground Physics, 22 August-1st September 2023, Vienna, Austria

<https://indico.cern.ch/event/1199289/>

"International Masterclasses – from collider physics to neutrinos and cosmic rays"

Presented by Ivan Melo

ACP2023 African Conference on Fundamental and Applied Physics, 25-30 September 2023, George, South Africa

<https://indico.cern.ch/event/1229551/>

"Engaging Teachers for Informal Education in modern physics"

Presented by Pedro Abreu

CONFERENCES IN 2023

ACHEP2023 The First Edition of the African Conference on High Energy Physics, 23-27 October 2023, Casablanca, Morocco

<https://fs.uit.ac.ma/achep/>

“The International Particle Physics Outreach Group: A pillar of particle physics outreachers ”

Presented by Claire Adams Bourdarios

CONFERENCES ON EDUCATION 2023

***GIREP-EPEC2023 World Conference on Physics Education, 3-7 July 2023, Cosice, Slovakia**

<https://indico.cern.ch/event/1162406/>

“The IPPOG Resource Database: Making particle physics outreach & education available worldwide ”

Presented by Barbora Bruant Gulejova

***GIREP : Groupe Internationale de Recherche sur l'Enseignement de la Physique**

CONFERENCES IN 2024

LHCP2024 Large Hadron Collider Physics Conference, 3-7 June 2024, Boston, Massachusetts, USA

“Hands-on particle physics, an overview of the masterclass efforts”

ICHEP2024 42nd International Conference on High Energy Physics, 18-24 July 2024, Prague, Czech Republic

<https://ic hep2024.org>

"International Masterclasses in Particles Physics - expanding geographically and broadening in scope"

"IPPOG and spin-offs from particle physics"

EDULEARN 16th Annual Conference on Education and New Learning Technologies, 1-3 July 2024, Palma de Mallorca, Spain

<https://iated.org/edulearn/>

"International Masterclasses in Particles Physics – From Colliders to Medical Applications"

CONFERENCES IN 2024

Lattice 2024, Liverpool, UK, 28 July-3 August 2024

<https://conference.ippp.dur.ac.uk/event/1265/>

Particle Physics outreach highlighting IPPOG

Conference on Quark Confinement and the Hadron Spectrum, 19-24 August 2024, Cairns, Queensland, Australia

<https://indico.cern.ch/event/1293041/>
