

5th COMPASS "Analysis Phase" international mini-workshop: Best Practices in Model Preservation (COMAP-V)

Report of Contributions

Contribution ID: 1

Type: **not specified**

Preserving Partial-Wave Analysis Results from COMPASS on HEPData

Thursday 14 December 2023 14:10 (35 minutes)

Presenter: WALLNER, Stefan (Max Planck Institute for Physics)

Contribution ID: 2

Type: **not specified**

Distribution serialization format. HS3

Thursday 14 December 2023 14:45 (40 minutes)

Presenter: Dr BURGARD, Carsten (Technische Universitaet Dortmund (DE))

Contribution ID: 3

Type: **not specified**

The RIVET way

Thursday 14 December 2023 15:25 (35 minutes)

Presenter: BUCKLEY, Andy (University of Glasgow (GB))

Contribution ID: 4

Type: **not specified**

Symbolic computation and model preservation

Thursday 14 December 2023 16:15 (35 minutes)

Presenter: Mr DE BOER, Remco

Contribution ID: 5

Type: **not specified**

Open data Wizzard for research and education

Thursday 14 December 2023 16:50 (35 minutes)

Presenter: NEUBERT, Sebastian (University of Bonn (DE))

Contribution ID: 6

Type: **not specified**

Round table discussion on model preservation

Thursday 14 December 2023 17:25 (10 minutes)

Presenter: MIKHASENKO, Mikhail (Excellence Cluster ORIGINS)

Contribution ID: 7

Type: **not specified**

Introduction

Thursday 14 December 2023 14:00 (10 minutes)

Presenter: MIKHASENKO, Mikhail (Excellence Cluster ORIGINS)
