Programme Website

The screenshot shows the Indico event page for the Armenian Teacher Programme 2024. The header features the Armenian flag and the event title. Below the header, the dates (10-15 Nov 2024) and location (CERN, Europe/Zurich timezone) are displayed. A search bar is present on the right. The main content area includes a description of the program, a list of useful links (Overview, Useful links, Timetable), and administrative support information (email: teacher.programmes@c...). The event details section specifies the start and end times (10 Nov 2024, 17:00 to 15 Nov 2024, 17:00) and location (CERN). It also lists the Teacher Programmes Manager (Jeff Wiener) and provides emergency contact information (CERN fire brigade: 0041 22 76 74444). A note indicates that there are no materials yet. A footer note states that scientific programme and agenda information will be made available under Timetable, and more precise information concerning arrival at CERN and participation confirmation will be sent to participants by e-mail.

The **Armenian Teacher Programme 2024** will take place from 10-15 November 2024. Lectures, on-site visits, exhibitions, and hands-on workshops will introduce its participants to cutting-edge particle physics. We hope our participants will go back to Armenia as ambassadors, who pass on the subject to our next generation of physicists, engineers, IT specialists...
