# ExaTEPP – Knowledge Exchange

Vassil Alexandrov  
Hartree Centre

# Knowledge Exchange

- Participating in ExCALIBUR KE regular meetings.
- Exascale Computing Workshop at Hartree – May 2023 (86 – (14+10))
- Exascale Computing and Scalable AI Workshop – May 2024 – planned knowledge exchange between Nuclear Fusion and HEP, Lattice QCD community representatives.
- Planned KE with Hartree – UKAEA team working on modelling and simulation in the area of Nuclear Fusion ( through Hartree - UKAEA joint centre of excellence in extreme scale computing in fusion) in 2024 around the Autumn ExaTEPP School.
- KE in the area of performance portability in the Autumn Summer School.
- KE with USA ECP community via ExCALIBUR-ECP H&ES Knowledge Exchange Programme project.
