

Session Program

4-8 Dec 2023

Zimanyi Winter School

Initial stages

Wednesday 6 December

14:15

Initial stages

Session | Location:

14:15–14:50 **Shaping the nuclear structure at the relativistic energies**

Speaker
You Zhou

14:50–15:10 **Quantum effects in the early stages of the expansion**

Speaker
Dr Leonardo Tinti

15:10–15:30
Femtoscscopy of p-Lambda system obtained in heavy-ion collision in the HADES experiment (GSI)

Speaker
Narendra Rathod

15:30
