

Session Program

4-8 Dec 2023

Zimanyi Winter School

Heavy-flavor

Wednesday 6 December

16:00

Heavy-flavor

Session | Location:

16:00–16:35

Quarkonium production at the LHC: experiment and theory overview (online)

Speaker

Anton Andronic

16:35–17:10

Heavy quark potential at non-zero temperature (online)

Speakers

Peter Petreczky, Peter Petreczky

17:10–17:25

Investigation of the heavy-flavor hadronization time-scale using the Tsallis-thermometer

Speaker

Laszlo Gyulai

17:25
