

## **Wednesday 6 December**

16:00

17:25

**Heavy-flavor**Session | Location:

16:00-16:35

Quarkonium production at the LHC: experiment and theory overview (online)

Speaker

Anton Andronic

16:35-17:10 Heavy quark potential at non-zero temperature (online)

**Speakers** 

Peter Petreczky, Peter Petreczky

17:10-17:25

Investigation of the heavy-flavor hadronization time-scale using the Tsallisthermometer

Speaker

Laszlo Gyulai
